

Feeding the Flock

This ministry provides a wonderful opportunity to serve our congregation in times of need...

... when a baby is born ...

... when a loved one passes ...

... when surgery or illness burdens our families ...

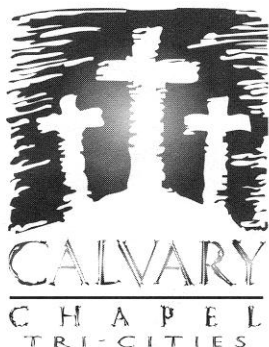

...those involved in the *Feeding the Flock* Ministry give the simplest yet most profound gift of their time and expertise, occasionally donating and delivering fresh meals to the families of those touched by major events in their lives.

Guys or gals - whether you can offer home-cooked meals or a talent with take-out, ***we need your help!*** Please join us in assisting our fellow members during the demanding times we all must face on occasion.

Jesus said, "Feed my sheep."

John 21:17

Yes, I am able to help in this important ministry.
