Many of the items will be placed in a "community" bin for the use of all students as needed. Therefore, I ask that you DO NOT write your child's name on any of the items unless specified. The brands specifically mentioned have been proven to be of good quality, as well as long lasting. So, I would appreciate it if you could purchase the above listed brands. In addition, the purchase of these specified brands ensures the continuity of our community supplies and thwarts off discussion over who brought what or who gets what! Thank you so much! Looking forward to a great year in 2<sup>nd</sup> grade!
