18. 1 package of baby wipes (unscented) *
19. 1 container of "Clorox" disinfecting wipes *
20. 1 box of tissues *

*Items that I may additionally ask for later in the year when we run low. *

Optional Items: Large Germ-x, band-aids, spoons

Many of the items will be placed in a "community" bin for all students as needed. Therefore, I ask that you **DO NOT** write your child's name on any of the items unless specified. The brands specifically mentioned have been proven to be of good quality, as well as long lasting. In addition, the purchase of these specified brands ensures the continuity of our community supplies and thwarts off discussion over who brought what or who gets what! Thank you so much! Looking forward to a great year in 2nd grade!
