Letter from the Director

Jesus said, “Go therefore and make disciples of all the nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all things that I have commanded you; and lo, I am with you always, even to the end of the age.”

Here at Calvary Chapel Bible College Tri-Cities it is our goal to aid you in fulfilling Jesus’ command to make disciples of all nations by giving you the tools and knowledge to teach others what it means to be a born again believer of our Lord and Savior Jesus Christ. Whether you desire to attain our Associates of Theology Degree or simply want to go deeper in your own personal study of Scripture, CCBC Tri-Cities is a great resource for you to achieve those goals.

I personally want to welcome you to our school and pray that your walk with the Lord will grow stronger and deeper as a result of your time here.

God Bless,

Kyle Skinner
Director
Calvary Chapel Bible College Tri-Cities

Purpose & Vision of Calvary Chapel Bible College Tri-Cities

The purpose of Calvary Chapel Bible College Tri-Cities is to train students to grow in relationship with God and his church.

Our vision is that each student heighten and deepen their own personal relationship with Christ, mature and understand life as part of the family of Christ, and grow in their knowledge of the Scriptures.

As a student that means:

Our primary focus will be on your spiritual relationship with Jesus Christ. We desire to see you grow in holiness and love, becoming more and more like Jesus. We desire to see you persevere in challenges and overcome trials as you mature. We desire to see you develop a close fellowship with God as you are enabled and led by the Holy Spirit.

Secondly, we will focus on your understanding and integration into the body of Christ, the church. We desire to see you grasp your spiritual gifts and understand your role as a member of Christ's church. We desire to see you understand the Biblical emphasis on serving and giving versus domineering and taking, especially towards the church. We desire to see you grow in love for your fellow Christians as a marker of your salvation.

Finally, we will focus on instruction and retention of the Bible. We desire to see you to read and study through the entire Bible. We desire to see you grasp and understand main themes and the doctrine contained within the Bible. We desire to see you grow in your ability to communicate what you have been taught.

She will apply to the CCBC Tri-Cities program for graduation and be granted a CCBC Tri-Cities degree.

Doctrinal Statement

The following doctrinal statement of faith governs the teaching at Calvary Chapel Bible College in Murrieta, California, and has been adopted as our doctrinal statement at Calvary Chapel Bible College Tri-Cities.

Scripture

We believe the Bible (i.e., the sixty-six books of the Old and New Testaments) is the Word of God, comprises the totality of Holy Scripture, is verbally inspired and inerrant in the original text, remains inerrant and infallible in all its substance, and is sufficient for salvation and sanctification. Therefore, it is the supreme, final, and authoritative standard for faith, theology, and life. We seek to teach the Word of God in such a way that its message can be applied to an individual's life, leading that person to greater maturity in Christ. (CCBC affirms the Chicago Statement on Biblical Inerrancy)

Historicity

We believe in the full historicity and perspicuity of the biblical record of primeval history, including the literal existence of Adam and Eve as the progenitors of all people, the literal fall in the Garden of Eden and resultant divine curse on creation, the worldwide cataclysmic deluge, and the origin of the nations and languages at the tower of Babel.

God

We believe that the triune God eternally exists in one essence and three distinct persons: Father, Son and Holy Spirit; that He is essentially Spirit, personal, transcendent, sovereign, life, love, truth, almighty, simple (i.e., essentially one without parts), timelessly eternal, unchangeable, wise, just, holy, relational, pure actuality, dynamic, infallible in all things, including His foreknowledge of all future decisions and events, and that He created the heavens and the earth in six literal days.

Jesus Christ

We believe that Jesus Christ is fully God and fully human, possessing two distinct natures which are co-joined in one person; that He was miraculously conceived by the Holy Spirit, born of the virgin Mary, lived a sinless and miraculous life, provided for the atonement of our sins by His vicarious substitutionary death on the Cross, was physically resurrected in the same body that was buried in the tomb by the power of the Holy Spirit; that Jesus Christ physically ascended back to the right hand of God the Father in heaven, and ever lives to make intercession for us. After Jesus ascended to Heaven, the Holy Spirit was poured out on the believers in Jerusalem, enabling them to fulfill His command to preach the gospel to the entire world, an obligation shared by all believers today. (CCBC affirms the Apostle's, Nicene, and Athanasian Creeds)

Holy Spirit

We believe the Holy Spirit is the third person of the Godhead who seals, indwells, sanctifies, baptizes, teaches, empowers, reveals, and guides the believer into all truth. The Holy Spirit gives gifts to whom He wills, which are valid for today, and ought to be exercised within scriptural guidelines. We as believers are to earnestly desire the best gifts, seeking to exercise them in love that the whole Body of Christ might be edified. We believe that love is more important than the most spectacular gifts, and without this love all exercise of spiritual gifts is worthless.

Mankind

We believe that man is created in the image of God; however, after the fall of Adam and Eve, all people are by nature separated from God and responsible for their own sin, but that salvation, redemption, and forgiveness are offered as a free gift by the Lord Jesus Christ to all based on His grace alone. When a person repents of sin and receives Jesus Christ as personal Savior and Lord, trusting Him to save, that person is immediately born again and sealed by the Holy Spirit, all his/her sins are forgiven, and that person becomes a child of God, destined to spend eternity with the Lord.

Salvation

Salvation is initiated, attained, and procured by God through the death of Christ on the cross for our sins and His resurrection from the dead. The salvation Christ offers is available to all, and is received freely by grace alone and through faith in Christ alone, apart from good works, thereby justifying and indwelling the believer.

The Church

The universal Church is an organic body composed of all believers, both living and dead, who have been sealed by the Holy Spirit through faith in Jesus Christ for salvation. The church has the responsibility to worship the Lord and share the good news of Christ's death and resurrection to the world, making disciples, baptizing believers, and teaching them to observe sound doctrine and live a morally pure life. We believe church government should be simple rather than a complex bureaucracy, with the utmost dependence upon the Holy Spirit to lead, rather than on fleshly promotion or worldly wisdom. The Lord has given the church two ordinances which are to continue until He returns — adult baptism by immersion and Holy Communion. Water baptism is not necessary for salvation, and cannot remove sins, but is a picture of the salvation already received by the believer. We believe the only true basis of Christian fellowship is Christ's sacrificial agape love, which is greater than any secondary differences we possess, and without which we have no right to claim ourselves Christians.

Worship

We believe worship of God should be spiritual. Therefore, we remain flexible and yielded to the leading of the Holy Spirit to direct our worship. We believe worship of God should be inspirational. Therefore, we give great place to music in our worship. We believe worship of God should be intelligent. Therefore, our gatherings are designed with great emphasis upon the teaching of the Word of God that He might instruct us how He should be worshiped. We believe the worship of God should be fruitful. Therefore, we look for His love in our lives as the supreme manifestation that we have been truly worshiping God in spirit and truth.

Christ's Return

We await the pretribulational rapture of the church and the second coming of Christ which will be physical, personal, visible, and premillennial. This motivates us to evangelism, holy living, heart-felt worship, committed service, diligent study of God's Word, and regular fellowship.

Eternity

We believe those who are saved by Jesus Christ will spend eternity with Christ in heaven in a conscious state of blessedness, reward, and satisfaction; that those who do not personally receive the finished work of Christ by faith will spend eternity separated from God in a state of conscious torment.

Satan

We believe there is a real personal devil of great malevolence, cunning, and power, who seeks to deceive, tempt, kill, steal and destroy, yet his power is limited by God to only what God permits him to do; that the devil has been defeated positionally at the cross of Christ, and will be defeated practically at Christ's glorious second coming which will eventuate in the permanent quarantine and punishment of the Devil, Beast, and False Prophet, in the lake which burns with fire and brimstone.

We Reject:

- (1) The belief that true Christians can be demon possessed and are helpless against the craft and wiles of the Devil.
- (2) Any philosophy or theology which denies that human freewill can be exercised in the receiving of Christ's free gift of salvation; specifically, we reject the belief that Jesus' atonement was limited in its extent, instead, we believe that He died for all unrighteous people and that any perceived limitation rests in one's free rejection of Christ's finished work of atonement, and we reject the assertion that God's wooing grace cannot be resisted or that He has elected some people to go to hell; instead we believe that anyone who wills to come to Christ may do so freely as a result of the Holy Spirit's conviction and wooing persuasion of the heart.
- (3) "Positive Confession," (e.g., the Faith Movement, that views faith as a force that can create one's own reality or that God can be commanded to heal or work miracles according to man's will and faith).
- (4) Human prophecy that supersedes or is contrary to Scripture.
- (5) Any introduction of psychology and philosophy which is contrary to Scripture and is in substance "according to the tradition of men, according to the basic principles of the world, and not according to Christ" into biblical teaching.
- (6) "Open Theism" or "Freewill Theism" which reduces God's timeless, unchanging, dynamic nature, and exhaustive foreknowledge of future free decisions, to creaturely modes of being and operation.
- (7) The "Emergent Church" Movement insofar as it departs from the historic orthodox Christian doctrines in favor of postmodernism
- (8) The overemphasis of spiritual gifts, experiential signs and wonders to the exclusion of biblical teaching.

Academic Policies

Attendance Policy

Attendance is very important at CCBC Tri-Cities because of the volumes of material covered in each class.

If a student is absent for any class for any reason, excused or unexcused, it is the students' responsibility to make sure that any assignments, or quizzes, or tests are turned in, made up (*if possible*), or supplemented. Students are responsible to acquire notes or any given assignments for any class missed, whether excused or unexcused.

Students are allowed one unexcused absence per class, per semester, before it affects their grade. Each additional unexcused absence will result in a one-increment grade drop per incident. *Note: Any assignment, test, or quiz missed because of an unexcused absence will be given a zero unless permitted to be made up by the teacher. Teachers are not obligated to allow make-ups, or accept assignments from students because of absence or tardiness beyond the Late Homework Policy.*

The following reasons will typically result in excused absences:

1. Sickness or medical problems that prevent the student from being able to attend class. This includes medical appointments that cannot be rescheduled. If a student is ill, the absence will be excused, due to the importance of getting rest when ill and avoiding the spread of germs.
2. Events involving the student's family or close friends that clearly require him/her to be present are normally limited to medical emergencies, funerals, baptisms, and weddings.

The following reasons will not result in excused absences:

1. Problems with transportation to class.
2. Mission trips. (CCBC Tri-Cities normally sets aside a special week during the Spring semester for mission trips to be scheduled without conflicting with the schedule of classes. See the current Academic Calendar for details.)
3. Voluntary commitments that conflict with the class schedule. We understand that sometimes circumstances come up that the student may feel are more urgent than attending class on a given day.

Students need to be on time for class. This means that if a class is scheduled to start at 2:00, the student has arrived and is seated before 2:00. A student is counted as tardy (late) for a class when he/she arrives within 15 minutes after the class is scheduled to begin. A student's grade will be reduced by one-increment for every 2 tardies. If a student arrives more than 15 minutes after a class is scheduled to begin, he/she is counted as absent. *Note: If an instructor arrives more than 15 minutes after a class is scheduled to begin and class has not begun, students are free to leave without being counted as absent.*

Late Homework Policy

As a student it is your responsibility to turn in your assignments complete and on time. If for some reason you turn in your assignment late the following scale of penalty will be applied:

- **1 day late:** 75% of actual grade
- **2 days late:** 50% of actual grade
- **More than two days:** 0% for that assignment

Grading System

At CCBC Tri-Cities we use both letter grades and grade points that count toward a cumulative Grade Point Average (GPA). This standard grading system makes it easier for our students to transfer credits from CCBC to other academic institutions, and applies uniformly to all courses. Included in the criteria for grading is attendance, reading assignments, tests, and papers.

Letter Grade	Percentage	Grade Points (per credit)	Explanation
A	95-100	4.0	Excellent
A-	90-94	3.7	Excellent
B+	87-89	3.3	Good
B	83-86	3.0	Good
B-	80-82	2.7	Good
C+	77-79	2.3	Satisfactory
C	73-76	2	Satisfactory
C-	70-72	1.7	Lowest passing grade
D+	67-69	1.3	Unsatisfactory
D	63-66	1.0	Unsatisfactory
D-	60-62	0.7	Unsatisfactory
F	59 or below	0.0	Failure
P	-	-	Pass
W	-	-	Withdrawal
UW	-	0.0	Unauthorized Withdrawal
I	-	-	Incomplete

Other grades issued: "W" is an official withdrawal given after the first six weeks of school for medical or emergency withdrawals only. "UW" is an unofficial withdrawal given when a student registers but discontinues class attendance without official notification. "P" for students who receive higher than an "F" in a course in which they registered on a Pass/Fail basis. Grade of "W" does not affect the student's GPA. "UW" is calculated the same as an "F" for GPA purposes. Grades of "Incomplete" are seldom given and only when severe illness or family emergencies prevent the student from finishing the semester. In the event that an "Incomplete" grade(s) is given, student will have until the end of the following semester to work with the Administration to develop a plan to finish the course(s).

If a student is unsatisfied with a final grade and believes that an error has occurred in the calculation of a grade, he/she may submit a written request for a grade change to the administrative office within 90 days after receiving a grade report. The administrative office will review the grade and if there is sufficient evidence showing that the grade was inaccurate, it will be corrected. Students are responsible to keep all graded assignments and exams. These items will be necessary whenever a request for a grade change is filed.

Withdrawal Procedure

Students desiring to withdraw from school must meet with the Dean of Men or Dean of Women. The student is then responsible to complete the Withdrawal Form and return it to the Dean of Men or Dean of Women. If a student withdraws for any reason after the Withdrawal Deadline (see the Academic Calendar) he/she will receive an Unofficial Withdrawal (UW) for the semester. This calculates as an "F", affecting the student's grade point average. Withdrawals due to illness or emergencies as approved by the Registrar will result in an Official Withdrawal (W) that will not affect the student's grade point average.

Adding or Dropping a Class

Because of the pace and volume of material covered in each class, a student may only *add* a class through the second week of classes. To *add* a class, a student must submit an Add Class Form to the administrative office for approval.

A student is permitted to *drop* a class through the sixth week of classes. To *drop* a class a student must submit a Drop Class Form to the administrative office for approval. A refund may be given through the fifth week of classes. *Please see Financial Information.*

It is the student's responsibility to submit an Add/Drop Class Form to the administrative office for approval before a student will start receiving credit for or cease being responsible for a class. If a student waits until after the second week to officially *add* a class, he/she will not receive credit for that class. If a student waits until after the sixth week to *drop* a class, the Withdrawal Procedure will then apply.

Student Evaluations

In order to provide a healthy learning environment and prevent procrastination, CCBC Tri-Cities requires student evaluations for each teacher at the midpoint of the semester. *You can expect these evaluations to deal with the quality, timeliness, and attentiveness in your classes.*

Two weeks after completion these evaluations will be available for the student to read. If necessary, the administration staff will talk to students who are behind or delinquent in their classes, and may even institute probationary contracts in some extreme cases.

Outstanding Homework

Any homework that has not been turned in, but may still be accepted by the teacher, will be due the last day of classes for the semester.

Cell Phone Policy

*Due to continual issues with cell phone usage, especially texting, CCBC Tri-Cities requires cell phones to be **turned off** during class.*

Teachers may enforce these Cell Phone Disciplinary Measures:

- **1st Offense:** Warning (*turn cell phone off*)
- **2nd Offense:** Removal of cell phone during class; speak with teacher after class
- **3rd Offense:** Student asked to leave class (*the teacher will inform the administrative staff if this becomes necessary*)

(Protocol may vary between classes and teachers but this is the CCBC Tri-Cities official policy)

Academic Integrity Policy

(Source: Azusa Pacific University)

Calvary Chapel Bible College Tri-Cities places a large emphasis on academic excellence as well as moral integrity. Together they combine to craft a character that will not only retain or regurgitate information but can creatively convey and uniquely integrate it into their life. As an image bearer of God, this ability to uniquely create stands out among the creation. Therefore, a breach of academic integrity is viewed not merely as a private matter between the student and teacher, but rather as an act fundamentally inconsistent with the purpose and mission of CCBC Tri-Cities. *Violation of the Academic Integrity Policy may result in suspension or dismissal.*

1. A student's submitted work (exam, papers, homework and public speaking assignments) must be his or her own.
2. All work submitted for credit, including exams, is accepted as a student's own work, unless otherwise understood and approved by the teacher.
3. A student may not, without proper citation and approval of the teacher, submit work that has been copied, wholly or partially, from another student's paper, notebook, or exam. Nor may students, without proper citation, submit work which has been copied, wholly or partially, from a book, article, essay, newspaper, the Internet or any other written, printed, or media source, whether or not the material in question is copyrighted.
4. Written work that paraphrased any written or printed media material without acknowledgement may not be submitted for credit. Ideas from books and essays may be incorporated in a student's work as starting points, governing issues, illustrations, and the like, but in each case the source must be cited. Students need to cite all printed and Internet sources.
5. Students may not submit any work for credit that has been used to fulfill the requirements of another course previously taken or currently in progress at this or any other institution without obtaining the teacher's permission.
6. Students must be aware that violations are not limited to the actions prohibited in the guidelines above. Any kind of dishonesty related to academics is a violation. Other examples of academic dishonesty, apart from giving or receiving unauthorized aid as described by the teacher in each course, include but are not limited to false reasons for taking a make-up exam, falsifying data, concealing information about a known violation that would impact students negatively, and misrepresenting oneself as being cleared to participate in commencement.

Academic Probation

If in any semester a student receives a failing grade (F) in two or more classes the student will be placed on academic probation. (CCBC Tri-Cities reserves the right to place other students on academic probation if they have demonstrated the inability to keep up with the course work or are otherwise negligent of their studies)

A student who is placed on academic probation is required to fulfill a written contract which mandates that a student must fill out a weekly progress report for each class they are taking, requiring each teacher to initial each week showing that the student is caught up on their work. The student must then check into the administration office with their progress report every week otherwise further consequences as outlined in the contract (usually suspension or dismissal) will be taken.

Any student on probation cannot enroll in more than 19 credits for the semester they are on probation.

Orientation

Orientation requirements are met for any student who attends the Retreat before the semester starts. The retreat is required for fulltime and on campus students but not for part-time students. Any student who

does not attend the Retreat must complete orientation requirements before the semester begins. Times for completion of orientation material can be set up with the administrative office.

Enrollment Verification

Enrollment verification letters are available from the Registrar's Office upon request. Any student, who needs an enrollment verification letter or form completed for any reason prior to registration, must pay a non-refundable bed deposit before verification of their enrollment will be released.

Repeating a Course

Courses may not be repeated for credit unless they are attendance-based, on campus requirements or if the course has not been completed with a satisfactory grade (C- or above).

Graduation Tracking

All students are responsible for tracking their graduation progress regardless of the Campus or Campuses attended. Students should check regularly with their teacher's concerning missing assignments and absences. All graded homework should be saved, both for future reference and as proof in the event of a clerical error in grading.

Student Life

Once you have been accepted to Calvary Chapel Bible College Tri-Cities you can expect to become a part of the 22-year ministry of Calvary Chapel of the Tri-Cities. Calvary Chapel Bible College Tri-Cities is a part of a living, breathing, fully functional church body made up of all ages. Weekly over 1000 adults actively worship and call this church home.

Currently Calvary Chapel Bible College Tri-Cities is housed at the Calvary Chapel of the Tri-Cities campus in Kennewick, Washington.

CCBC Tri-Cities holds this close relationship with Calvary Chapel of the Tri-Cities as a distinction in their education and will always maintain a close relationship with Calvary Chapel of the Tri-Cities, both its staff and its congregants, as long as it is an institution.

What to Expect

As a new student to Calvary Chapel Bible College Tri-Cities you can expect our teachers and staff to instruct you according to the vision of this school. Remember, our *main purpose* is to train students to grow in relationship with God and his church.

Therefore, we expect you to follow Jesus in life and grow closer and more like him. This may mean laying aside things you feel are necessary, or humbling yourself when you may not be wrong, but we know that Jesus Christ calls us all to follow him if we are to be his disciples. We also expect you to accept uncomfortable situations where serving in a church or organization may not be preferred or ideal. But, realizing that having a giving attitude versus a taking attitude is the very nature of Jesus, a servant. Finally we expect you to try hard academically. CCBC Tri-Cities provides a challenging atmosphere that may seem overwhelming or discouraging at times, but we have found that those who persevere and put forth effort academically reap significant growth.

New Students

What to bring:

- A good study Bible is an essential. A New King James Version, the New American Standard Bible, or the English Standard Version is ideal.
- If you have a few Bible study resources such as a concordance, Bible dictionary, or Bible software, bring those too.
- If possible, bring a laptop computer with the ability to run Bible study software.
- If you are not able to bring a laptop, be sure to bring an MP3 player with earphones for listening to the Bible Survey Tracks, which are provided to students.
- Your passport, for any trips out of the country, especially during Spring semester Missions Week.

Code of Conduct

The following behavior is deemed unacceptable for Calvary Chapel Bible College Tri-Cities students and may result in suspension or immediate dismissal:

- Use of illegal drugs, or abuse of legal drugs (Galatians 5:19-21)
- Any type of sexual immorality (Galatians 5:19)
- Cheating on tests or plagiarizing papers (1 Corinthians 6:8)
- Stealing or borrowing without permission (Ephesians 4:28)
- Violence of any kind, including threats of violence and vulgar language (Romans 1:29-30)
- Discrimination, general harassment, or sexual harassment (Romans 13:8)
- Heretical departure from the CCBC Tri-Cities Doctrinal Statement of Faith (Philippians 1:27)

- Ignoring or breaking any law of the State of Washington or of the United States of America (Romans 13:1, 2)
- Damaging CCBC Tri-Cities property. Students are to take good care of the CCBC Tri-Cities facilities. Any person who carelessly damages CCBC Tri-Cities property will be required to pay for the damages. This policy also applies to the property of Calvary Chapel of the Tri-Cities Church, which shares the classrooms with CCBC Tri-Cities.

Disciplinary Policy

In addition to suspension for academic reasons, students may be required to withdraw from CCBC Tri-Cities when their behavior and attitude are inconsistent with the standards and basic purpose of the College. Such withdrawals may be for a specific time during which the students have time to evaluate their personal goals and relationship to the College. In some cases, pastoral counseling and a letter of recommendation from a pastor are required for re-admission. *The Dean of Men and the Dean of Women serve as the administrators of the policies of the College and adjudicators in disciplinary matters.*

For infractions of laws, regulations, policies, and standards, students may be subject to disciplinary action up to and including dismissal from the institution. Such disciplinary action may be imposed for violations that occur off campus when the violation may have an adverse effect on the educational mission of the College and/or students of the College.

When the administrative staff of CCBC Tri-Cities must address matters of student conduct requiring discipline, it is done with the goal of restoration. Disciplinary measures are to be taken if a student is repeatedly breaking outlined rules, abusing himself or other students, displaying divisive behavior and/or attitude, or perpetrating harmful doctrine which divides the body. This policy contains three steps of disciplinary measures, to be taken in order, and to be made by a CCBC Tri-Cities administrative staff member. Students may appeal administrative decisions in writing.

- **Step 1:** Confrontation on a level of friendship and personal interest. This confrontation should be made alone and in private (Matthew 18:15). If the staff member deems it necessary, a written explanation of the incident may be added to the student's file discussing the situation.
- **Step 2:** Confrontation with two or more (Matthew 18:16-17). *The CCBC Tri-Cities Director and the Dean of Men or Women must be present.* Before meeting, the staff member will draw up an outline of what is expected and what the disciplinary action will be if the expectations are not fulfilled. A signed and dated copy of the outline will be added to the student's file.
- **Step 3:** If Step 2 expectations are not fulfilled, disciplinary actions will be carried out. In most cases, this will be dismissal from school (Titus 3:10-11). *At the meeting, the CCBC Tri-Cities Director and the Dean of Men or Women must be present.* A letter explaining the situation in detail will be added to the student's file. Depending on the severity of the issue, the student may or may not be allowed to apply for re-enrollment in future semesters.
