

## MEDICATION AT SCHOOL

Whenever possible, the parent and Health Care Provider will design a schedule for giving medication outside of school hours. Medication is ordered to be given to a student at school only when necessary. Medication, unless otherwise directed, will be kept in a designated secure area and administered by the school nurse or trained school personnel.

Health Care Provider's Orders (to be completed by Health Care Provider)

Student:	Birth date:
Diagnosis for which medication is given:	

Name of Medication(s)	Dose	Time of day to be given

Side effects of drug (if any) to be expected:
Length of time this authorization is valid:

This student has been instructed by me and/or my office staff, and has demonstrated the ability to properly manage self-administration of the medication as ordered.
I request and authorize this student to carry their medication/self administer: Yes    No

Health Care Provider Signature:	Date:
Health Care Provider name ( <i>print or type</i> ):	
Phone:	Fax:
School nurse verification of student developmental ability to self-administer medication in the school setting is required by statute.	
School Nurse:	Date:

\*\*If an epi-pen is administered at school, an ambulance will be called after ONE dose and the student will be transported to the nearest hospital.

Parent Permission (to be completed by parent or guardian)

**I am the parent or the legal guardian of the child named.**

By law my signature indicates that I understand the school shall incur no liability as a result of any injury arising from the administration of medication by the CCS staff or as self-administered by the student.

Parents or guardians shall hold harmless the school and its employees or agents against any claim arising out of the self-administration of medication.

**Signature of parent or guardian:** \_\_\_\_\_ **Date:** \_\_\_\_\_

Prescription medications must be in the original labeled container from the pharmacy. Over-the-counter medications must be in the original container. Any changes to this medication will require a new medication form completed by both parent and healthcare provider. In case of necessity, the school district may discontinue administration of the medication with proper advance notice.
