

2018/2019

Please send only the supplies which have been checked off on this list. MOST items on this list will be used for/by your own child. These items must be clearly labeled with your child's first and last name. When selecting supplies, if a brand name or other specific detail is listed for a particular item, please try to match the request (or come as close as possible). For certain products, particular brands have proven to be longer lasting, of superior quality, or possess a desired property for our specific need. Where no specifics are requested, feel free to exercise your individuality! **Please note:** supplies with *scary* or *inappropriate* media characters will be sent home to be replaced. If you are unsure about any item, please contact Mrs. Rogers.
